AIR CADET LEAGUE OF CANADA ROLLS OUT THE "CADET SERVICE MEDAL"

The Air Cadet League of Canada has announced the distribution of the "Air Cadet Service Medal" awarded to cadets who have completed four (4) continuous years of service with the Royal Canadian Air Cadets. The service medals are now available through the provincial committee office

The local sponsoring committees will make the medal available to current serving cadets free of charge. The medal comes in a cardboard presentation box with the undress ribbon beneath the black velvet underlay. A formal application and policy is now available. (refer below)

Former cadets may purchase the medal including the undress ribbon through the National office webstore for twenty-five dollars (\$25.00).

The miniature medal will be available to current and former cadets through the National Air Cadet league Office for fifteen dollars (\$15.00).

The Cadet Service Medal is gold in colour and bears the RCAC crest in either French or English. The ribbon for the medal is an attractive combination of blue and yellow and features an inscription box on the flip side. Included with the medal is a short undress ribbon for the cadet's shirt as well as the presentation box.
